### Spring Festival & Other Housekeeping

#### Spring Festival

Instead of the annual Easter, Mother's Day, and Father's Day luncheons, this year we are having 1 large Spring Festival celebration. If you enjoy celebrating events, being celebrated, or are just excited for an opportunity to enjoy beautiful spring weather, you should bring your family to come join us. Bring your children, your grandchildren, your great-nieces, your 5th cousin twice removed. It's going to be an afternoon filled with a cook-out, petting zoo, photo booth, bounce house (for the young'uns), music, loved ones, and fun. You aren't going to want to miss out!

#### Bus & Outing Sign-Ups

Please make sure you are signing up for outings before the day of. Between the number of seats available and the amount of space needed for walkers and wheelchairs, the bus fills up quickly. Seats are first come, first serve. If you are unsure if you're able to go on an outing, sign-up anyway. It is easier to cancel last minute than to be added last minute.

If an outing involves a ticketed event, please sign up immediately. Ticketed events can sell out. The activity department will ALWAYS double check that you do want the ticket before purchasing and charging you back for that cost.

#### Credit Card

As most of you know, we have access to a company credit card that we occasionally use for outings. Lately, there has been gross misuse of the credit card, causing it to become maxed out frequently. The company credit is primarily for company purchases, i.e. activity supplies, maintenance & repairs, dining, etc.

We have always been generous, in the past, about allowing resident personal purchases to be made on company credit card. However, people are starting to take advantage of this service. Moving forward, please make sure your bring your wallet with cash or credit/bank card on **ALL** outings. If you do not have access to cash or your personal credit card, please come and speak to Diana about it before any outing.

## Poems for Mom

### "Mom's Helping Hands"

She knelt along the bedside  
to help me say my prayers.  
She stayed one step behind me  
as she helped me climb the stairs.  
She helped me read the recipe  
when I baked my first dessert,  
and helped me sew a button  
on my favorite woven shirt.  
The lessons of a lifetime  
were easy ones to bare.  
With helping hands to guide me,  
my mom was always there.

### "Unknown"

Mom's smiles can brighten any moment,  
Mom's hugs put joy in all our days,  
Mom's love will stay with us forever  
and touch our lives in precious ways...

The values you've taught,  
the care you've given,

and the wonderful love you've shown,  
have enriched my life in more ways than I can  
count.

I Love you Mom!

# HAPPY MOTHERS DAY

Thanks for being  
the best mom ever

On behalf of all children near and far,  
thank you Mom! Thank you for all your  
love, care and guidance. We wouldn't be  
where we are without you.

Happy Mother's Day!
